

TRAFFIC PROCEDURES

Dear Rosa Parks Parents,

It is vital that we follow **ALL** arrival and dismissal rules for the safety of students and families.

Parents may not double park, or drop off or pick up their children on *any red zones indicated on the streets*. Please adhere to the "No U Turns Allowed" sign where you see the delineators on Whispering Hills Drive. Please do NOT park your vehicle on areas that indicate "No Parking".

We understand that you might encounter traffic as you are dropping off or picking up children, but if rules are followed it will help alleviate the traffic. More importantly, if rules are followed we are keeping students and families safe.

Thank you for your cooperation
